Tried. Tested. Trusted SOSEC barrier PLUS new advancements. Ideal for busy sites where operational efficiency and cost is critical.

The trusted **SOSEC** barrier remains fully customisable to your site requirements, offering a tailored, efficient solution for secure access management.

### SOSEC 200+ Enhancements:

This tried and trusted SOSEC 200 barrier remains the same, with auto exit, safety beam and is 24/7/365 solar. It can be fully customised to suit individual site requirements.

**EXTENDED** – 7-Metre Barrier Arm for wider access points, enhancing control and coverage for larger entryways.

**UPGRADED** – Solar Mount redesigned for enhanced deployment, making it easier and safer to reposition the solar panel or move the barrier, reducing risks during setup and maintenance.

**IMPROVED** – Solar efficiency for more usage.

**CONTINUED DURABILITY** – Built to withstand the demands of heavy use and harsh conditions, the SOSEC 200+ offers long-term reliability.
